

GEORGIA GIVE KIDS A SMILE FREE DENTAL CLINIC FRIDAY FEB. 3

Give Kids A Smile is a nation wide yearly event that was started by the American Dental Association. At these events dental professionals and community volunteers work together to provide children with basic dental care as well as working to educate them on the importance of good oral health habits.

Our goal is to provide exams, cleanings and sealants to under privileged elementary school children and also to provide information on maintaining proper oral health.
